- 25-50% PreCOVID
- 50-75% PreCOVID
- 75-100% PreCOVID
- 100%+ PreCOVID

CPS Facility Openings by Date

Proposed Policy Changes

- Clarify policy for application during pandemic
 - service objective
 - allowable support activities
 - planning and coordination component
- Expand service locations including provider leased and owned (within licensing rules) and remote in residential under limited conditions
- Reminder that billing for Residential and CPS is unchanged from prior to pandemic
 - “With” and “without day” days rules in ISP manual apply
