Office of Developmental Programs Intellectual Disability/Autism (ID/A) Supportive Housing Pilot

ODP's Intellectual Disabilities/Autism (ID/A) Supportive Housing Pilot began March 1, 2024 and includes ten counties from across the state. The Housing Pilot provides individuals with intellectual disabilities and/or autism with financial assistance coupled with supportive services to aid them in living in the community in their own homes**.** The Pilot is being expanded to include three additional counties in July 2026.

As of 5/1/2026:

153 Individuals Currently Enrolled

124 Pending Applicants

30 Individuals Transitioned Off Subsidy

$726.65 Average Subsidy Amount
